Dear Walter:

This letter is in reference to my two (2) computers which I brought to your business for servicing.

Please allow me to express my sincerest appreciation to you for EVERYTHING which you did in order that these computers were restored to their optimum functioning. Your explanation of the services which you rendered, as well as the "education" which you provided to me, was most beneficial in furthering my understanding of computers. Also, your attention to detail is most prevalent, as is the pride of your workmanship.

Enclosed please find a token of my appreciation for the finest of service which you provided.

Please feel free to utilize this correspondence of my testament to future clients.

Very truly yours,

Steven B. Seavey
