

HERFF JONES

RECOGNITION • EDUCATION • MOTIVATION

1/3/07

Dear Mr. Gardner,

I want to thank you for your efforts toward repairing my computer. You were very courteous and professional. I am sorry I ended up not using your services. I have your business card on file, and I will recommend you to any local businesses I have relations with.

Again, thank you for your time and efforts and have a great 2007.

Regards,

Al De Santis
